VI. PUBLICATIONS OF THE INTERNATIONAL OCCUPATIONAL SAFETY AND HEALTH INFORMATION CENTRE (CIS)

CIS Abstracts
Issued from 1960 to 1973 inclusive in card form at the rate of 2,000 abstracts per year (in English, French and German). Also issued in bulletin form from 1963 to 1973.

Following computerisation of the service, the CIS Abstracts are available from 1974 in the form of a bulletin supplemented by a detailed subject index. Cumulative subject and author indexes are issued annually.

CIS Abstracts cover not only books and journal articles but also laws and regulations, standards and directives, guides and manuals, data sheets, research reports, dissertation, proceedings of conferences and symposia, statistical reports, films and other audio-visual aids.

A subscription to CIS Abstracts includes:
- access to the CIS reprographic service (subject to usual copyright conditions);
- literature searches compiled by the computer on request;
- information sheets on subjects of topical interest.

Subscription information and free specimen copies of CIS publications will be provided upon request.
